SCANDIC Palace Hotel, Copenhagen

Colortec design carpet for historic art nouveau meeting floor

SCANDIC Palace Hotel offers beautiful surroundings for meetings in the heart of Copenhagen. Originally, the meeting floor was designed by Anton Rosen, an internationally respected pioneer in Danish art nouveau.

The facilities have been renovated with great respect for the history with an elegant interior

design at the same time embracing state-of-the-art technology. Truly fascinating meeting facilities where beautiful Colortec carpets plays an important role in the interior design.
